# Evenings with Alumni

---

Since the academic year of 2012/2013 a cycle **Evenings with Alumni** has been taking place at the Institute of Political Studies; it grants students the opportunity to discuss professional and career issues with successful alumni from IPS. The program aims to link alumni with students as well as to acquaint the students with the scope of job opportunities for the graduates.

Until 2016, the Evenings with Alumni have been conducted approximately three to four times each semester. As of the academic year of 2016/2017, we plan to change this concept - one meeting will be held on the grounds of the institute, while the second one will retreat to the seat of the employer of the guest in this cycle- a graduate.

An invitation to the upcoming meeting can always be found throughout the semester on [facebook](#) .

The planned meetings in the academic year of 2016/2017:

<i>Date</i>	<i>Time</i>	<i>Lecturer</i>	<i>Employment</i>
-------------	-------------	-----------------	-------------------
